PRESBYTERIAN HEADQUARTERS
of Southern California
1501 Wilshire Blvd., Los Angeles 17, Calif.

Erected in 1956, the Presbyterian Headquarters is on one of the world's famed thoroughfares, just outside the downtown business area, and convenient to the city's freeway system. In addition to serving as the center for all operations of the Presbyterian Church in Southern California, the building contains a chapel and the Western Area Branch of Westminster Book Store.
